EIS001418

WE ARE VERY CONCERNED ABOUT THE SHIPMENT OF RADIO ACTIVE WASTE TRAVELING THROUGH OUR COMMUNITY. WE ARE VERY MUCH OPPOSED TO THE IDEA AND HOPE THE ENERGY DEPT. WILL REJECT THIS DANGEROUS PROPOSAL AND FIND AN ALTERNATE ROUTE SO AS NOT TO EXPOSE THE HEAVILY POPULATED ST. LOUIS METROPOLITAN AREA TO THE POTENTIAL DANGER.

REGARDS,

RALPH & LUCILLE KNEPPER

Ralph J. Knepper
